PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 222A at Carter, Oklahoma.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 222A to Carter, Oklahoma as that community's first service. Carter, Oklahoma is an incorporated community with a population of 254 people.<sup>1</sup> Carter has its own post office, its own volunteer fire department, its own mayor and its

own schools, the Carter Elementary School and Carter High School. Additionally, Carter has a number of local churches. The proposed channel 222A will provide additional diversity and an outlet for local self-expression to Carter residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 222A can be allocated to Carter, Oklahoma consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates for Channel 222A at Carter, Oklahoma are:

Should this petition be granted and Channel 222A be allotted to Carter, Oklahoma, Petitioner will apply for Channel 222A, and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

---
